Thanks for getting back to me,i will like to inform you that am purchasing the PUPPY as a birthday present for my son,i will be very much happy if you consider the PUPPY sold to me.The reason I am sending you this email is to make final reconfirmation of PUPPY \*which is ok by me,and also to let you know that payment will be by certified cashier's check or money order. In view of this I need you to email me any information that may be required to send the payment as I do not want to send the check or money order to a wrong location lest they get into the wrong hands.Regarding the shipping, I have a company that takes care of the pickup of my consignments for me and ship to my destination in new jersey anywhere in the U.S.A, you do not worry about shipping, the company will send down a representative to arrange the sales documentation and the pickup from your end for onward transfer to my destination.I also want to alert you on the fact that you will be receiving an overdraft check, which will cover the money for the pickup (pickup and shipping to the final destination) as well as the money to be paid to the company that will take care of the pickup and the documentation with you So please, as soon as you receive the payment, go and cash it immediately, deduct the money that accrues to you, and send the balance to the Head Office of the company that handles the shipment via Western union.The check will be in your name to make it easier for you to receive payment, please reconfirm your details one more time.I will give you the details of the company that will be shipping the living room set as soon as we seal this deal.Once the money is received by the agent , the shipping agent will contact you immediately to arrange the documentation as well as the pickup immediately. So in view of the above, here are some of the details I will need for final issuance of the check or money order to you.
